

Adoption Application

Welcome to the Cheboygan County Humane Society. We are glad you have come to adopt a new pet from our shelter. The following information is requested so that your adoption counselor can assist you in the selection of a new pet. The animal's welfare is our foremost consideration. The consultation process is designed to help us determine if the adoption is in the animal's best interest and to assist you in finding an animal most compatible with your lifestyle. The animals available for adoption came here from a variety of sources. All animals are examined upon entry, and their health is routinely monitored while at the shelter. However, there is always a chance that an animal is incubating a disease without showing any clinical signs. After the 7 day health guarantee, any adopted animals are the sole responsibility of the adopter to seek Veterinary treatment.

Our adoption fee includes: Spay/neuter, first series of vaccinations, leukemia testing or heartworm testing (as applicable), fecal exam for parasites and any needed medication, a 7 day health guarantee, collar and License tag for dogs, and a cardboard carrier for cats, kittens, and puppies.

In order to be considered as an adopter today, you must:

- Be 21 years of age or older
- Have identification showing your present address
- Have the knowledge and consent of your landlord (if applicable)
- Be able and willing to spend the time and money necessary to provide training, medical treatment, and proper care for a pet.
