December 31, 2015

Dear Friends,

Welcome to Summer. The weather has been beautiful. I would like to thank Josh and Amanda and the other volunteers who did a great job representing us in the 4th of July Parade.

Our new and improved web-site is up and running visit use at cheboyganhuamensoeicity.org. Our adoptable pets and stray dogs and cats can be seen on our facebook page Cheboygan County Humane Society Official page. Our adoptable pets can also be seen on petfinder.com and adoptapet.com.

Our annual garage sale is scheduled for August 28th and 29th at the fairgrounds. We look forwards to working hard with all of our wonderful Volunteers that make our biggest fundraiser of the year possible. More help is always needed so please call me if you would like to volunteer.

We will be sponsoring our 4th annual flea jump on August 8th at the Cheboygan Airport. If you have ever wanted to try parachuting out of a plane this is a great opportunity to have fun as well as raise pledges to help fund the animal shelter.

Last, but not least, we are seeing some progress on Phase II of our shelter renovations. The land has been cleared and the foundation for the garage area is taking shape. We are hoping to complete the dog kennel area next year.

Our Animal Shelter was built in 1975. It was originally designed to hold stray dogs for 4 days, after which they would be adopted or euthanized. A lot has changed in the last 40 years. Our primary purpose is to find new homes for the animals in our care. We also now take in many more cats than dogs. That is why we need to renovate and modernize our shelter. Last year, in cooperation with Cheboygan County we completed phase I of our renovation. Four new rooms to house our cats were created. We are now looking at the beginning of phase II. This phase will completely house our cats were created. We are now looking at the beginning of phase II. This phase will completely renovate the dog kennel area. We will have a separate room with more kennels for adoptable dogs. Another room for stray dogs. A room for small dogs and puppies and a separate room for quarantined or aggressive dogs. There will be a "meet & greet" room where potential adopters can sit with a dog in a quiet setting and get to know them. We are very excited to get phase II started but, we need your help. We have begun a fundraising program called "Buy stock in the new Animal Shelter" We will be issuing "Honorary" stock certificates to individuals, groups or businesses that purchase stock to help fund this project. Together we can get this project completed by next year. Thank You for Caring! The certificates are available and will cost \$90.00 per each cubic yard of material. The first issue of certificates will be for a cubic yard of cement. To purchase your certificate please mail your donation with the form below or stop out to the Humane Society.
