Happy Adoptions Stories!!

(Left) Chubbs AKA Chloe came to us in need of some medical attention. After she was treated she went to a loving home where she is loves to go for car rides and tugs at the heart of every single person who meets her.

(Right) Kiley was brought to us with a broken leg. After much care and work to improve her health her leg had to be removed. When her rehabilitation time was done she found a wonderful home with someone that has helped her adjust to her new life.

(Right) Remmy now known as Sammy had been here for a while. At one our of Empty The Shelter Events Sammy found someone to understand her and love her despite her flaws. She is now loving her new home .

(Left) Rufus after being groomed.
(Right) Rufus before being groomed.

Rufus came to us as a stray. After a much needed trim. He found his forever home and is greatly loved.

(Left) Cinderella come to us as older stray dog the second photo shoes what she looked like before she came to us. She was given little time to live but found a home with someone to give her the much needed love and attention she needs. Frist picture is Cinderella curled up with her new friend.
