Winter 2015  Cheboygan County Humane Society

Dear Friends,

It has been a very busy year here at the Cheboygan County Humane Society. Thanks to all of our wonderful friends who are making huge strides towards placing all of our furry friends into new homes. We have developed a great cooperative relationship with a number of other animal shelters across the State and thanks to a generous grant we now have a transport van and we are able to transfer animals to other shelters when we are full. So far this year we have transferred 103 dogs and cats and all were subsequently adopted! As of October our save rate for dogs was at 89.29%.

Our biggest priority is raising funds for our spay/neuter program. In previous years we were lucky to have part of our program funded by a grant from a private foundation. That grant program has now ended and we are scrambling to make up the loss with various fundraisers. Such as the first annual New Year's Eve Fur Ball. Please plan on attending this fun event that will help save the lives of thousands of unwanted dogs and cats. Tickets are selling fast, so get yours soon! Hope to see you there.

Merry Christmas and Happy New Year. Thank you so much for all you have done for the animals in 2015.

Sincerely,

Mary

### Phase II Construction

We are selling shares of construction stock to raise funds for Phase II. Each share will cost \$100.00 which will entitle you to honorary stock certificates. They will be in the newspaper, on line and you can donate and have one sent via snail mail.

No actual shares of CCHS are being purchased. The money will go towards the Building Fund for new dog kennels.

Attention Spartan UPC donors. We are collecting the Spartan UPC's until December 7th so we can have them all sent out no later than Dec 15. After Dec 7th we will no longer be taking Spartan UPCs because the program will no longer be running. Thank you for all your support and help with the program over the years.

### Happy Adoption Stories!

Brutus was adopted from us back in October and is having fun with his new family. Brutus likes to play in the snow and take long walks with his new owner. He is loving his new life.

Poppy was adopted after waiting a long time for a new owner. She is now living life up in sunny places.

CCHS is a full access shelter, no animal is turned away, from Cheboygan or Presque Isle Counties. There is no charge to surrender an animal. We accept animals

Monday-Thursday 9-3:30

9a.m. to 3:30 p.m.

Progress is continuing on phase II of our shelter renovation project. The new garage and kennels for stray dogs should be almost complete by the end of this year. Phase III, will involve the demolition of the old kennel area and the building of new kennels for the adoptable dogs, a separate room for puppies and small dogs and another room for quarantined or dangerous dogs. Their will also be a special meet and great room where people can play with a dog that they are interested in adopting. These improvements are made possible through funding from Cheboygan County and the generosity of donors like you. We will have a "new" Shelter that is more user-friendly and more comfortable for the pets that are waiting for their new families. We will keep you posted on the progress of this project.

Thank you to everyone who made our shoe drive a great success. We collected almost 4500 pairs of shoes. We would especially like to thank our friends at the Salvation Army, Animal Medical Clinic of Cheboygan, North Straits Animal Clinic, Ken's Village Market and the Indian River Eagles for helping us achieve our goal. All funds raised from this project will go towards our spay/neuter program.
